

New Product Release

TX6160XFP 5/1 Watt Handheld UHF CB Radio - Family Pack

8th August 2022

GME has an extensive range of Handheld UHF CB Radios to meet a variety of needs. From 4WDing to construction sites, and now, a pack to suit those families requiring the performance of a 5 Watt Handheld + additional radios for the kids.

Featuring class-leading 5 Watt transmission power, an IP67 ingress-protection rating for outstanding performance and years of reliable use in the harshest Australian environments, up to 30 hours battery life, VOX hands-free mode, and a built-in LED torch. The TX6160X is ideal for users who demand the ultimate in handheld UHF CB communication, for both work and play.

The TX667 is an ultra-compact and lightweight mechanical design, with up to 17 hours battery life for a 1000mAh Li-Ion battery, convenient USB charging, a high contrast backlit LCD screen, switchable transmission power (1/ 0.5 Watt), and a user programmable scan function, the TX667 is the perfect entry-level UHF CB radio.
