

SPK SERIES MARINE SPEAKERS

The ultimate in sound performance

GME marine speakers will satisfy even the most demanding audiophile. Built to withstand the harsh marine environment, GME marine speakers are ASTM B117-03 salt spray (fog) and ASTM G154 UV exposure compliant insuring they will look good and sound great, even after years of use.

With their superb clarity and rich tones, the GME S5, S6 and S6+ high performance coaxial marine speakers will complete your audio setup and are backed by a full 3 year manufacturers warranty.

S5

Ideal for vessels where high quality audio is required, but space is at a premium.

- 110 W x 2
- 2-way coaxial speakers
- Flush mount: 163 mm
- Speaker impedance: 4 Ohms
- 3 year warranty

S6

With a larger cone and higher power output, the GME S6 is the perfect high performance solution.

- 140 W x 2
- 2-way coaxial speakers
- Flush mount: 188 mm
- Speaker impedance: 4 Ohms
- 3 year warranty

S6+

Boasting GME's new Teteron tweeter, these high performance speakers are ideal for delivering premium quality audio.

- 140 W x 2
- High performance Teteron tweeter
- 2-way coaxial speakers
- Flush mount: 188 mm
- Speaker impedance: 4 Ohms
- 3 year warranty

GME marine speakers are engineered to withstand the harsh marine environment, making them perfect for the outdoors. Install them on your boat, outdoor entertaining area or any outside situation where high quality audio is required.

S3

Sized perfectly for discrete installation, the GME S3 is a great solution wherever flush mounting is not possible.

- 60 W x 2
- Polypropylene woofer cone
- Bracket-mount box speakers
- Speaker impedance: 4 Ohms
- 3 year warranty

S4

Greater power makes the GME S4 a versatile solution for high performance audio outdoors.

- 80 W x 2
- Polypropylene woofer cone
- Bracket-mount box speakers
- Speaker impedance: 4 Ohms
- 3 year warranty

SPK007W

Powerful bass and rich mid tones make the SPK007 an all round performer, purpose built for the marine environment.

- 170 W x 2
- Marinated speaker cone design
- 6 x 9 flush mount speakers
- Speaker impedance: 4 Ohms
- 3 year warranty

SPK009W

High power and performance tuned, the SPK009W delivers the ultimate in outdoor audio.

- 80 W x 2
- 2-way bass reflex
- Bracket mount box speakers
- Speaker impedance: 4 Ohms
- 3 year warranty

SPK45W/B

Ensure that you hear every radio call whether you're in the cabin or on deck with GME's water resistant extension speakers.

- Water resistant
- Available in black or white
- Suits any radio with a 3.5 mm output jack.
- SPK600W also available to suit GX600 with lead and plug with waterproof grommet.
